

SOLID GEAR OASIS

ART. SG61006

Solid Gear Oasis creates a superior compromise between lightweight and cushioning. This result is reached by a microfiber upper with TPU reinforcement and a high cushioning poured PU midsole. In addition, this comfortable shoe offers great grip thanks to the pattern and compound on the rubber outsole. Designed with BOA® Fit System for a fast and precise fit, Oasis provides you with a similar feeling as a sporty shoe. Non-metallic protection in toe cap and penetration board. ESD function according to BS EN 61340-4-3:2002.
